AUGUST NEWSLETTER

We have had a great summer full of instruction and fun! We are not done yet.

Our Baseball Camp is THIS SATURDAY at Choceolocco Park from 9:00am to 4:00pm. Participants will receive instruction in all areas of baseball with the video analysis focusing on hitting. We will have former pro players Caleb Brewer, Cory Rasmus, Casey Rasmus, and Tyler Stovall along with top area coaches, serving as guest coaches at this camp. This camp is very instructional and good for all ages. Camp will begin with drill work and film. After a catered free Newk's lunch, we will breakdown the film on each participant and give them an opportunity to apply what they have learned. Lastly, we will have our camp competitions. This year's Hitting Champion will receive a FREE BAT! Scholarships are available for those needing financial assistance. Also, we have discounts for siblings upon request. Just email stovallathletics@gmail.com for information on how to obtain financial help.

Stovall Athletics Scholarship Application
A Letter From Tyler Stovall

Thank you for your interest in Stovall Athletics. I am passionate about adding value to young people. God has given me the opportunity to play 2 different sports at a high level and I use my platform to impact others. Through Stovall Athletics's camps, lessons and speaking engagements, many have not only made gains in their sport, but also in their spiritual walk with God. Each year, I offer camps for participants of all ages, boys and girls, hoping to help them reach their goals in sports and in life. Thankfully, others share our vision and are now sponsors. The businesses at the bottom of this letter donate regularly so that we can offer scholarships.

If you can't afford a camp without a scholarship, complete and return the attached scholarship form.

If you have any questions, please email stovallathletics@gmail.com. Please share this information about our camps with your friends and family.

Looking forward to meeting you,

Tyler Stovall

Stovall Athletics Scholarship FAQs

Should everyone apply for a scholarship?

No, only those who would be unable to attend camp without financial aid should apply.

Where does the scholarship money come from?

Individuals and businesses. The businesses you see at the bottom give most of it. Some of it comes from people like you and me that just want to donate to help kids.

Is the scholarship money wasted if no one applies for it?

No, it supports the ongoing local ministry of Stovall Athletics; however, we make a 100% effort to give away 100% of all funds given to us for scholarships.

Do you give full scholarships for half day camps?

Yes, camps receive up to 100% scholarships for full day camps and up to 50% scholarships for half day camps.
